

UbuntuSure Insurance - Product Guide

Insurance Product Reference | Demonstration Document

1. Motor Cover

- Motor Cover is designed for insured private vehicles.
- Typical claim categories include accident damage, theft and weather-related damage.
- Claims are subject to policy status and the claims submission rules.

2. Home Cover

- Home Cover protects eligible residential property and selected insured household risks.
- Typical claim categories include fire, storm damage, theft and accidental damage.

3. Life Cover

- Life Cover provides a defined benefit according to the policy terms and recorded coverage amount.
- Life Cover claims require supporting documentation before assessment can be completed.

4. Travel Cover

- Travel Cover applies to eligible insured travel events.
- Typical claims may include trip cancellation, baggage loss and eligible emergency expenses.

5. Business Cover

- Business Cover is intended for eligible small-business risks.
- Business claims may require additional supporting evidence depending on the nature and value of the loss.
